About Us

Established in 2000, Al Khalaf Stainless Steel (KSS) is a fabricator and retailer of Kitchen & Restaurant Equipment in Saudi Arabia. At KSS, we supply state-of-the-art custom equipment for and not limited to food service industry as well as medical complexes.

Facilities

Operating out of our factory in Dammam, Eastern Province, Saudi Arabia, we pride ourselves in offering our clients with high quality products and delivering the best services in the industry.

Product Portfolio

By making use of qualitative raw materials, we fabricate heavy-duty stainless steel and commercial kitchen equipment like work tables, sinks, trolleys, cabinets and shelving units, display counters, bain-maries, multi-burner cooking ranges, heavy duty gas system, kitchen hoods etc. Our selection of equipment include a list of standard items as well as customized items based on the needs of the client.

About Us

Production Features

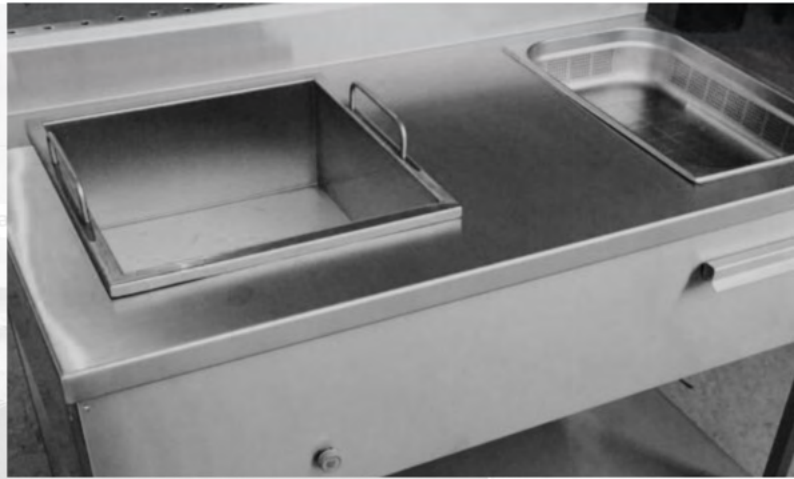

The production of equipment is done by our team of fabricators with a strong emphasis on the following features:

- Application specific design
- Accurate dimensions
- High tensile strength
- Robust construction
- Excellent finishing
